

The decision we were all hoping wouldn't happen came yesterday. With Governor DeWines' decision to not send students physically back to school for the rest of this calendar year it means that spring sports have been cancelled too.

☹️ Here is the article with all the details...<https://ohsaa.org/news-media/articles/ohsaa-cancels-spring-sports-as-school-facilities-to-remain-closed>

What does this mean for us as a team? Well, we are still working through that since there was not a lot of direction on what things might be allowed starting March 4th.

TENTATIVELY these are some items to make note of:

- Coach Baker is working on having a virtual senior night with videos from all of our seniors. As soon as we have specifics on this, we will pass that information along.
- We are hoping to be able to have some sort of gathering or send-off for our seniors that would fit into the updated regulations from the Governor's office once those are announced.
- Bloom Carroll is looking to host a summer track series. They would have computer timing and officials so you could at least get some times and marks to know where you stand. At the bottom of this document is a rough draft of what that could look like.
- We are working on getting a safe pick-up set up for the warm-ups and gear from Fleet Feet. As soon as this is finalized information will be sent out!
- Would there be interest in making a fun video of you doing your events at home like this college did? Check out the link and let us know if you want to put something together... <https://youtu.be/NEJUQCB2MH8>

We know that is rough news and not the way any of you (or us!) wanted this season to end. Please reach out to us if you want to talk or just see our face (virtually of course)! We are here for you.

Love,
Your 2020 TVTF Coaching Staff
